

COVID19 EDITION

# 2020 MESM/PhD Computer Orientation

Steve Miley / Geoff Jewel / Brad Hill

Help: [compute@bren.ucsb.edu](mailto:compute@bren.ucsb.edu)

Discord: [discord.gg/XP6yb4](https://discord.gg/XP6yb4)

Office Wing: 3516

Lab Wing: 3045 by GIS lab

# Polls

Mac or PC

Logged into GauchoSpace

Installed and run Pulse Secure

Have you ever used remote desktop

Logged into Myplan

How old is your laptop

Do you have office installed?

# Computer Accounts

- UCSBnetID
- G Suite for Education [UCSBnetID@ucsb.edu](mailto:UCSBnetID@ucsb.edu) = Google Email, Google Drive, etc
- Bren Desktop account: login to windows desktops, REEF web portal, Bren WiFi (when at Bren)
  - Same name as UCSBnetID, different password (which you can't change)
  - Obtained through myplan co2022 course
  - PhD students – you should have an email to a special link

# Ask questions via Chat

- During the presentation, feel free to ask questions via the chat tool

# Obtaining Your Bren Password at:

Announcements

Your progress

Key Information

At UCSB, you'll have a UCSBnetID and password. At Bren, we create a Bren Windows Desktop Account for you, the username is the same as your UCSBnetID, but the password is different. You can not change this password. You can use this account and password to login to the following services:

1. Bren Windows Desktops
2. Remotely accessing Bren Windows Desktops
3. Access the web interface to your Bren Desktop files
4. Accessing the cloud based rstudio server <https://rstudio1.bren.ucsb.edu>

Your Bren Desktop Password

Your Bren Desktop Password

Since we are unable to meet in person this quarter to provide you your password, you can access the Bren Desktop password from this link.

Your Bren Desktop Account username is the same as your UCSBnetID.

Your Password is in the Feedback Comments

PhD Students Will Receive Emailed Instructions on Retrieving Password

REMOTE ACCESS

# Lab Computers

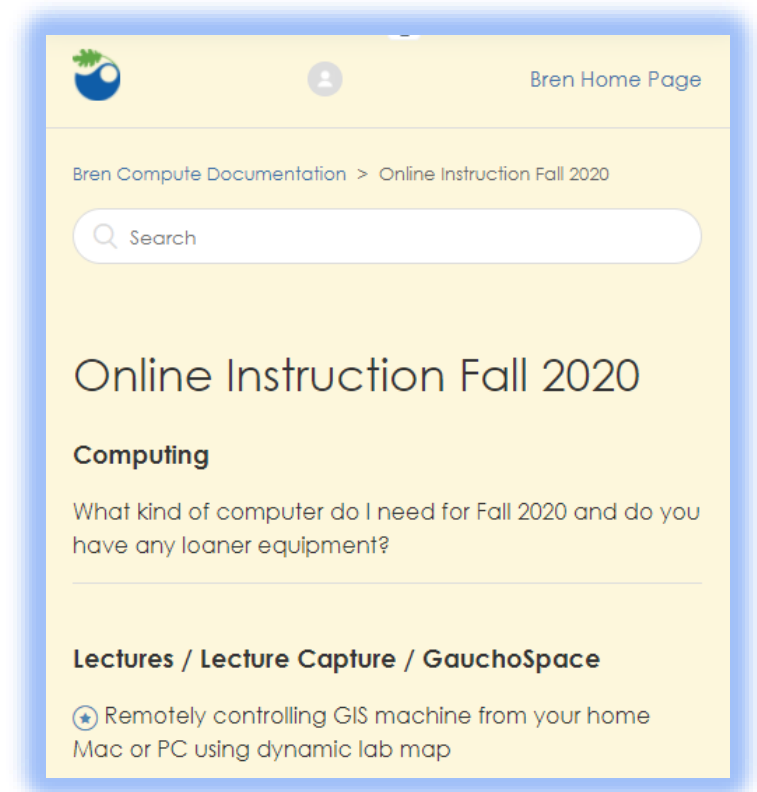

- Lab computers are available for required labs and open access.
- Lab computers are accessed through the campus VPN, Microsoft remote desktop, and an availability map.

Details on accessing our labs remotely are available through our helpdesk articles located at:

[bren.zendesk.com](https://bren.zendesk.com)

- No building or physical lab access currently.

# UCSB / Google Email Account and Addresses

- One Google Account for Email
- Multiple email addresses
  - [UCSBnetID@ucsb.edu](mailto:UCSBnetID@ucsb.edu)
  - [UCSBnetID@umail.ucsb.edu](mailto:UCSBnetID@umail.ucsb.edu)
  - [UCSBnetID@bren.ucsb.edu](mailto:UCSBnetID@bren.ucsb.edu)
- 13 months after you graduate, UCSB takes the account back, and the 2 first email addresses, we can forward email from [UCSBnetID@bren.ucsb.edu](mailto:UCSBnetID@bren.ucsb.edu) to a personal email account 13 months after you graduate.

# Bren Desktop Info

- Students would often use the Windows Desktop and their laptop, when at Bren. Advantage on the desktops, big monitors, dual monitors, software required for courses
- H drive – your home folder
- Create the directory hierarchy how you like (fall2020/ESM203 ...)
- Files on H drive get backed up, the C drive don't

You can also access your H drive and other network files through our REEF web portal located at:

[reef.bren.ucsb.edu](http://reef.bren.ucsb.edu)

# Cloud Storage

- Your personal Gmail / Google Drive account
- Your UCSB Google account – unlimited storage while a student
- Google Drive – shared / collaborative folders.  
<https://drive.google.com>
- Box – another cloud storage <https://ucsb.box.com>
  
- Best to move away from your personal account for your time at UCSB for drive storage.

# Microsoft Office for Students

- As a student you can download and install Microsoft office

[bit.ly/ucsbdownloadoffice](https://bit.ly/ucsbdownloadoffice)

- Google Drive let's you use Sheets, Docs etc.
- UCSB's Box service also have Office365 integration
- Contact us if you have installing Office, sometimes your region as US North America

# Mastering

- UCSB has a site license for Zoom so you have access to paid features
- Need to login with SSO / UCSBnetID.
- Login, help and training available at <https://ucsb.zoom.us>
- Practice logging in and create test meetings to familiarize yourself
  - Testing audio, muting, unmuting
  - Starting and stopping video
  - Viewing participants, using gestures
  - Using chat, breakout rooms

# Loaner Equipment

- Keyboards / mice
- Networking cables
- Monitor with cable & adapter (meant to be a 2nd monitor)
- All in one 24" Windows Desktop PC quantity(20)
- Chromebook Laptop quantity(5) - short term, under a month
- Mac Laptop / PC Laptop quantity(1/2) - two week loan
- Headsets and Cameras quantity(5/5) - one month loan
- [https://bren.formstack.com/forms/equipment\\_request](https://bren.formstack.com/forms/equipment_request)

# Getting Help

Email: [compute@bren.ucsb.edu](mailto:compute@bren.ucsb.edu)

Office Hours (via Zoom) Tuesday and Fridays from 2:30 - 3:30 pm PST  
( [Join meeting 990-6519-1541](https://zoom.us/j/99065191541) )

Bren Compute Team Knowledgebase: [bren.zendesk.com](https://bren.zendesk.com) \* we'll also post presentation here\*

Discord: [discord.gg/XP6yb4](https://discord.gg/XP6yb4) \* mainly monitored during office hours

# Quick Demos

- Myplan login to get password / curriculum planner
- Pulse Secure Interface (once you have it installed)
- Remote Desktop Interface – PC
- 2<sup>nd</sup> method of controlling a Bren Windows Desktop (HTML)
- Rstudio server access if you can't run R/Rstudio on your machine
- What the Windows Desktop Looks Like
